

sDock

wall mount
for mobile iPad use cases

Wall mount. Charging point. Picture frame.

All in one.

sDock is the perfect solution for applications that require the „time to time“ removal of the iPad. When the iPad is removed a picture „in frame“ appears. A sleek 20 mm thick design. Easy Cable Management. Pivotal. Unique lock with two keys. Anodized aluminum, available in silver and black.

Lockable.

The plug-in lock securely locks the sDock.
The iPad cannot be removed without a key.

Pivotable.

sDock can be rotated by 90 degrees.

Charging.

An Apple Lightning cable can be fixed in
the lower fastening latch.
You can charge all the latest iPads, iPhones,
or iPods, in the sDock.

Wall mount.

Unlike most other mounts with sDock there
are no unsightly fasteners, magnets, or frames
that are seen when the iPad is removed from
the sDock. What is seen is the picture frame.
